This Time Brokerage Agreement for WHRC(TV) in Norwell, Massachusetts was originally entered into in October, 1996 to enable the station to have a programming source in order to resume programming prior to the February 8, 1997 deadline imposed by the Telecommunications Act of 1996. The station had ceased programming in the Spring of 1990. Upon the sale of the station to Channel 46 of Boston, Inc., the Time Brokerage Agreement was assigned to the purchaser and continues in effect. This LMA permitted the station to resume programming and has permitted the new owner to continue programming the station pursuant to an agreement that provides up to 98 hours per week of programming.
